

Have you ever wanted to serve your country but weren't sure how? Consider joining:

CIVIL AIR PATROL US AIR FORCE AUXILIARY

- Cadet Programs
- Aerospace Education
- Emergency Services

In the Civil Air Patrol, a humanitarian and educational, nonprofit organization, you can serve the United States as a civilian volunteer of the US Air Force Auxiliary. Join more than 60,000 members who expand and share their expertise with CAP in a wide variety of fields.

CADET PROGRAMS

Youth 12 to 18 year old can develop leadership and technical skills, learn about aviation and enjoy training in search and rescue, model rocketry, physical fitness, sports, advanced technologies and much more.

OFFICER PROGRAMS

Adult members from all walks of life are part of the team of volunteers. And, regardless of your background, you can choose to train in any CAP position. Opportunities are available in writing, flying, radio operations, teaching, emergency services, finance, law, and much more.

For more information, visit the **Fox Valley Composite Squadron** website and/or come to one of our meetings on Friday nights (see reverse side for details).

FOX VALLEY COMPOSITE SQUADRON

Fox Valley Composite Squadron is the local unit of the Civil Air Patrol (CAP). CAP was started December 1, 1941 by a group of people concerned about aviation and security in the US. The early members of CAP flew their own aircraft in a variety of tasks from courier service to search and rescue to coastal defense.

Today, CAP has three basic missions: Search & Rescue, Cadet Programs, and Aerospace Education. CAP does over 95% of all Search & Rescue in the US. The adult members fly Cessna 172, 182 and other aircraft with a variety of tools on board. The ground teams of Search & Rescue can be either adult or cadet members and are trained for both urban and country tasks.

Cadets are young boys and girls 12 to 18 years old. They are offered an opportunity to learn many different skills from leadership to flight to Search & Rescue. Leadership is learned as the cadet advances thru the stages of the cadet program.

CAP is an all volunteer organization. We receive no pay for what we do. You do not need any special training or skills to join, just a desire to help. Since 1941, CAP has been there protecting and serving America.

VISITORS WELCOME!

The best way to learn more about CAP is by attending one of our squadron meetings. We meet every Friday night (excluding holidays) between 7-10 PM at the Firefighter Academy, near DuPage Airport, at:

**320 Kress Road
West Chicago, IL 60185**

We hope to see you at a meeting sometime soon.
